MENTS,

RULES ADOPTED BY THE CHURCH SOCIETY.

DECEMBER, 1859.

1. WHEREAS, it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made: Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no clergyman or layman be permitted to collect money for any Church purpose beyond the bounds of his own mission, or to proceed to any other Diocese for the same purpose, without the sanction and approval of the Bishop, given as a heading to his Subscription list; and that it be the duty of such collector to communicate with each clergyman before he makes a collection in his parish; and that, on his return from his collection tour, every person collecting shall present his Subscription List to the Bishop, and account for all moneys received. And further, that no person from any other Diocese shall make collections within this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

2. Resolved, That inasmuch as great inconvenience and loss arise from the delay that too often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each collection, and to see that they are forwarded without delay to the Secretary.

DECEMBER, 1860.

3. Resolved,—That no change shall be made in the Constitution of this Society, unless notice has been given at the previous quarterly meeting; and further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

MARCH, 1861.

4. Resolved,—That all applications for grants of money, books, &c., shall be submitted for the consideration of the Standing Committee previous to action by the Society thereon.

JUNE, 1862.

5. Resolved,—That the Lay Representatives of the Synod be considered *ex officio* members of the Church Society, in so far as to enable them to attend and take part in all meetings of the Church Society which may be held during any week in which the Synod meets, during their term of office as members of the Synod.

OCTOBER, 1862.

6. That, seeing it is absolutely necessary for the successful working of the Church Society, and the furtherance of the various objects embraced by its Constitution, that all parts of the Diocese should co-operate : Be it therefore Resolved, that no assistance be given to any Parish or Congregation unless all the collections are regularly made by such congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society ; and further, that the Bishop be respectfully requested to apply the same rule to the S. P. C. K. Fund, for assisting in the building of Churches in the Diocese.

JUNE, 1867.

7. That no resolution passed at any meeting of the Society shall be considered to be in force until brought up and confirmed at the next meeting, except such as refer to business which has been brought before the Standing Committee, or such as ask for the appointment of Committees.

JUNE, 1868.

8. That all applications for aid from the Society must be with the Secretary at least three days before the meeting, otherwise they cannot be entertained until the following meeting.

9. That grants made from the General Purposes Fund, and not claimed by the expiration of two years from the time that they are promised, be cancelled.

10. That every application made to the Church Society by Clergymen regarding arrears of salary due by their congregations, be signed both by the Clergyman and the Church Wardens, with a view of making known to such congregations the amount of arrears due, and of influencing them thereby to a due regard to their obligations in relation to the salary of their Clergyman.

CONSTITUTION .

OF

The Church Society of the Diocese of Huron.

Adopted by the Society and Confirmed by the Bishop.

Incorporated for promoting the following objects :—

FIRST—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY—For obtaining and granting aid towards the erection, endowment and maintenance of Churches, according to the establishment of the said Church in the said Diocese; the erection and maintenance of Parsonage Houses; the setting apart of Burial Grounds and Church Yards; the endowment and support of Parsonages and Rectories, according to the same establishment. and the management of all matters relating to such endowments,

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said :—

PREVENT US, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help ; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord.—
AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy grace those benefactors who contribute to its support. Visit with Thy favour our Sovereign QUEEN VICTORIA, and all in authority under her, and so rule their hearts, that they may in all things seek Thy honour and glory. Bless the ministry of Thy servants, the Clergy ; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity and concord, and because it cannot continue in safety without Thy succour, preserve it evermore by Thy help and goodness ; and may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory, and the good of Thy Church, through Jesus Christ our Lord.—
AMEN.

OUR FATHER, which art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation ; but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. AMEN.

AND WHEN BUSINESS IS ENDED.

ALMIGHTY GOD, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which this Society has been enabled to extend the knowledge of Thy sacred Truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son ; for the means of grace, and for the hope of glory which thou hast given us, in the same our Lord and Saviour Jesus Christ ; to whom with Thee and the Holy Ghost, be all honour and glory, world without end. AMEN.

THE Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us all evermore. AMEN.

RESOLUTIONS

PASSED AT THE ELEVENTH ANNUAL MEETING, HELD ON
THE 15TH OF JUNE, 1869.

The Annual Meeting of the Church Society was held in the City Hall, London, Ontario, Canada, on Tuesday evening, June 15th, 1869.—The Chair was taken at half-past seven o'clock, by the President, the Bishop of the Diocese.

The Bishop read the appointed prayers.

The Secretary read the Report.

Moved by the Very Rev. Dean Hellmuth, seconded by the Rev. Dr. Townley, and

1. *Resolved*.—That the Report now read be adopted and printed.

Moved by the Ven. Archdeacon Brough; A. M., seconded by the Rev. I. Brock, M. A., and

2. *Resolved*.—That the abundant blessings, temporal and spiritual, of the past year, call for our renewed and heartfelt thankfulness to Almighty God.

Moved by the Rev. J. Smythe, M.A., seconded by A. Lefroy, Esq., and

3. *Resolved*.—That the increasing wants of the Diocese call for greater exertions being made in support of the objects of the Church Society; so as to lead to a better appreciation, on the part of Churchmen in general, of the privileges they enjoy, and the duties incumbent upon them.

Moved by J. Beard, Esq., seconded by Rev. S. Belcher, and

4. *Resolved*.—That the gradual withdrawal of the assistance long rendered to this Society by the S. P. G., calls for combined efforts being made, both to maintain the present ministrations of the Church in this Diocese, and to reach forth to those parts still unsupplied with the same.

ELEVENTH ANNUAL REPORT
OF
THE INCORPORATED CHURCH SOCIETY
OF THE DIOCESE OF HURON.

In presenting their Eleventh Annual Report, the Standing Committee, while they gratefully acknowledge the many mercies of the past year, and desire to express their thankfulness to Almighty God for the progress which has been made, cannot close their eyes to the fact that churchmen generally are not alive to their responsibilities and their privileges, and are not sufficiently impressed with the solemn duty that lies upon them, according to their ability to come up "to the help of the Lord against the mighty;" otherwise the Committee would be able to lay before the Society a very different report than that which they now bring forward, after eleven years work in the Diocese.

Never before was there greater need of strenuous efforts and combined exertion to enable the Society to maintain its work; and yet never before have the Committee found greater difficulty in forwarding the work of the Church in the Diocese, caused in great measure by the withdrawal of a large portion of the annual grant hitherto received from the S. P. G., but largely by the want of appreciation of the important objects which the Society has in view by the very parties for whom the Society is exerting all its labours. That this is the case will be evident by considering the Income of the past year.

Income.

The Income for the past year, derived from the Diocese, is \$8,923:69, being \$610:31 less than the income of the previous year; and this at a time when extraordinary efforts are necessary to enable us to bear the large diminution of the grant from the S. P. G.

The Committee consider that an income of \$9,000 or \$10,000 by no means represents the ability of this Diocese; and cannot feel that a proper response is made to their appeal, until at least \$20,000 are annually subscribed by the Diocese, as a grateful offering to Almighty God for blessings received, and a token, in some measure at least, of appreciation of the same.

General Purposes Fund.

The amount received for this Fund is less by several hundred dollars than during the previous year,—(this may be partly accounted for by the assessment made during the previous year for the Bishop's expenses in attending the conference at Lambeth,)—and as the balance on hand at the beginning of the year was small, and the amount of grants made to Churches and Parsonages was large, and the expenses consequent on the meeting of the Provincial Synod were heavy, no assistance could be given by this fund during the past year to the Mission Fund : and only a small balance of \$378:68 is left to commence the work of the current year.

It is absolutely necessary, therefore, that, for a time at least, the Society cease to make grants towards Churches and Parsonages, in order that liberal assistance may be given to the Mission Fund, to enable it to fulfil its work—the great work of the Society—the support of the Parochial Clergy, doing the work of the Church throughout the Diocese.

Mission Fund.

Never before has the Committee been placed in the painful position it at present occupies in respect to the Mission Fund, in being obliged to bring it before the Society burdened with debt, and that amounting to \$2,799:05. This may be partly accounted for by the fact that the amount received on account of the S. P. G. grant was \$2,451:69 less than during the previous year ; but when we perceive that the amount received from the Diocese for this Fund, notwithstanding its great need of larger support, was not ten dollars more than the previous year, the Committee are forced to the conclusion, either that the subject has not been fairly brought before our people, or that churchmen in this Diocese are not equal to the position in which they are placed.

It must be evident, then, that unless greater exertions are made by our members to support this, the chief branch of the Society's work, it will be impossible long to maintain even the number of Clergy now labouring in the Diocese.

About \$2000 a year for the last two years have been granted from the General Purposes Fund towards the erection of Churches and Parsonages ; this the Committee propose, shall, for the present, be carried to the Mission Fund, but, in addition to this, further exertions must be made to enable the Mission Fund to answer the calls upon it. The Committee, therefore, commend this matter to the Society's most serious consideration.

Widows' and Orphans' Fund.

The amount received during the past year from the Diocese for this Fund is \$150 less than during the previous year.

This Fund deals with most interesting subjects, and is liable, at any time, to have the demands upon it largely increased ; any decrease, therefore, in its support, is matter of very great regret.

The annual pensions at present on this Fund amount to \$1120.

The Investments have been slightly increased during the past year, and a further sum of over \$1500 lies waiting for investment.

Depositary Fund.

The sales of Books during the past year amounted to \$322:37, and the grants made by the General Purposes Fund to \$368:58. There is a balance on hand of \$682:10, besides a good stock of Books.

Sustentation Fund.

During the past year an attempt has been made to raise a Sustentation Fund, which, as yet, has succeeded almost beyond our expectations. The work was commenced shortly after the meeting of the Synod last year, by clergymen and laymen voluntarily canvassing parts of the Diocese on behalf of this fund ; and for several months past a paid agent has been employed, who gives his whole time to the work. Rev. C. C. Johnson was thus employed for three months, and, since his resignation, Rev. T. C. DesBarres has been steadily and successfully prosecuting the work.

Subscriptions in cash to the amount of \$2152.82 have been received, and notes and promises for upwards of \$24,000 more have been sent in. It is intended that the interest derived from this fund shall be used to assist the Mission Fund. Thirteen hundred dollars in debentures have been purchased as a commencement, and it is hoped that before the end of the present year the investments for the fund will be largely increased.

Commutation Fund.

The investments belonging to this Fund now produce an income of \$14,825, which is something over \$1000 above the claims and expenses upon it. This will allow five of the senior non-commuted clergy, according to the by-law regulating the appropriation of the same, to be placed on this fund, and as the surplus accrues others can be added ; thus the fund will be the means of augmenting the stipends of those who for years have been labouring in the diocese on very insufficient incomes.

Episcopal Fund.

The investments of this Fund, together with those belonging to the Bishop and Archdeacons' Endowment Fund, which have been received in full from the Diocese of Toronto during the past year, now produce an income which will shortly relieve this fund from the difficulties under which it has been so long labouring in meeting the claims upon it.

Rectory Lands.

During the past year much has been done towards placing some of the Rectories in a better position, by the sale of a portion of their lands, as will be seen by the statement given herewith.

Other Trusts.

The various other accounts and trusts managed by the Society will be found fully explained in the statements relating to each.

Such is a brief review of the Society's work during the past year, which, though not so flattering in all points as the committee might wish, still presents much cause for gratitude, while at the same time it shows the absolute necessity for every one who professes to have the well-being of the Church at heart, to be "up and doing."

The time has come when something more than mere transient good wishes for the welfare of the Church are necessary; the Church in this Diocese is now almost entirely left for support on the voluntary efforts of its members. Unless, therefore, the members of the Church stand up in faith and exert the strength which God has given them, and use the means placed by Him at their disposal, the Church which they profess to love cannot fulfil its mission. The committee therefore call upon every member of the Church in this Diocese to come forward in this the hour of the Church's need, and assist in the Church's work, and, for this purpose, according to the old Scriptural rule, which bears equally upon all, to give "as God has prospered them," and so enable the committee on future occasions to bring forward more gratifying reports.

•

SPECIAL NOTICE.

The attention of the members of the Church Society is particularly called to the fact that, although large sums, as is seen in the following accounts, pass through the Society's books during each year, it is only *the Income derived from the Diocese*, together with the Interest from the Society's own Invested Accounts, that is available for the general work of the Society; the other sums received are either capital for re-investment, or the proceeds of special trusts which have to be applied according to the terms on which each trust is held.

The deficiency which appears against the Mission Fund can only be made good by the increased liberality of the members of the Church throughout the Diocese; an earnest appeal is, therefore, made to each and every member for increased subscriptions during the current year, both in the Quarterly Collections and through the Parochial Associations, upon which we mainly depend to enable the Society to keep pace with the wants of the Diocese.
